Thank You

I would like to take this opportunity to thank all my customers for their fantastic support over the last year, which has proved to be a very successful one.

I have been fortunate enough to have a constant flow of interesting and challenging work both inside and out and have only lost a couple of days due to the weather.

I look forward to an equally varied and successful year ahead with both returning and new customers.

Noodlebar

One of the highlights of the year has been my ongoing maintenance contract with the Noodlebar.

Having spent time carrying out a variety of maintenance work in both the front and back of house, I am very impressed by the fantastic standards to which the restaurants are run and the superb quality of the food.

I cannot recommend the Service and the Food highly enough.

Business Networking

I am a member of a business-networking group. Being member of this group has not only been great for business but also given me opportunity to meet and build relationships with other local businesses.

Should you require any of the services listed below, I would be happy to refer them to you with confidence as I have used many of their services myself.

Personal Trainer, Graphic Designer, Travel Counsellor, Financial Adviser, Accountant, Electrician, Printer, Family Law Solicitor, Conveyancing Solicitor, Insurance Broker, Telecom Expert, Car Service & MOT Garage, Bank Manager, Make Up Artist and Beauty Therapist, Mortgage Broker, Joiner & Carpenter, Transport Company and Web & IT Specialists.

Porch

This was a particularly enjoyable job, comprising bricklaying, carpentry, glazing and painting.
